

CAPABILITY STATEMENT

GSE, The State Tax Experts, is a solution oriented multi-state and local consulting firm. We have a team of experts focused on increasing shareholder value and profitability by accessing, identifying, evaluating, and executing ways to reduce business cost.

OUR SOLUTIONS

- **Mitigating financial risk** - Evaluate and identify appropriate tax savings on projects, allowing clients to maximize the full benefits of state and local exemptions, abatements, and credits & incentives
- **Enhancing tax compliance** - Keep businesses compliant with state and local tax laws and regulations and represent their interest during tax audits/reviews
- **Expanding technology** - Provide services to strengthen financial systems
